

Sell printed models wholesale to local hobby shops, at craft fairs, fly-ins etc:
Perhaps your local hobby shop is interested in selling your museum kits. No
problem.

Burn CDs as a premium: Read THIS carefully!
You're welcome to burn CDs with up to five models of your aircraft to be used as a
premium to coax in new members and thank existing members when they re-up..A
thoughtful and valuable gift costing about a buck !!

NOT permitted to do:
Sell downloadable Fiddlersgreen digital models over the Internet including eBay,
Amazon etc.

Remove or alter FiddlersGreen copyright information:
THIS is really important.. Copyright information needs to remain intact to protect
our intellectual property..

Alter existing or create new designs without Fiddlersgreen's explicit permission:
If you need something altered please let us do that (there will be a \$20/hour
charge) .. You're welcome to create and sell your own versions of our FG designs
mirroring your displays upon approval.

For the first year, the annual license fee is \$ **200** plus the cost of the
airplane models chosen.

To get started, simply send quick email explaining what you plan to do with our
Fiddlersgreen models. If you haven't already, open an account (see home page) and
we'll take it from there..

Please email with any questions..
